Eastern Hemisphere Map Project Instructions

Directions: Students are to use the World map given in class to identify and label all parts of the geography terms taught in class or from their prior knowledge.

1. Be sure to identify and label all parts:

- Title
- Continents
- Oceans
- One city using its absolute location
- Equator
- Prime Meridian
- Compass Rose
- Scale
- All four hemispheres- North Hemisphere, South Hemisphere, West Hemisphere, East Hemisphere
